USPA NEWS - The woman wakes up first at Suhoor and prepares Suhoor for all the family members but eats last of all * After fasting she feeds the children in the afternoon..

Then from 4 o'clock till Iftar, she prepares Iftar for her family members

Rice. Spinach. Meat. Prepares chutneys etc. and also has the fear of not knowing how to cook it.

She cooks different things for mother-in-law and father-in-law. And at the same time, she tolerates her husband's anger before breaking the fast.
She sets the table before the call to prayer, but asking for a cold glass of lassi after eating roti and then saying that the salt is less is a far cry.

And it is not particularly cold while iftar is well done by tika
After that, breaks the fast in a secret room

After taraweeh again she prepares tea and fruit for the guests
And again wakes up first at dawn
If God does not want to wake up at 2 o'clock or if Suhoor is late, then the whole family's cold falls on the poor woman all day long.
